

PERFORMANCE NEEDS

Go Ask Your Mother... a Father's Story

Set Pieces Needed from Host Church or Organization:

- One stool - approx. 3 ft. tall.
- Small wooden table approx. 3 ft. tall, 4 ft. long, 1.5 to 2 ft. wide. Living room quality rather than a utility table (not a coffee table, but a sofa table is perfect).
- One light weight chair (folding or stacking chair is fine).
- Small pulpit, or lectern (a music stand as a last resort).
- One 16 oz. bottled water

Sound Needs:

A wireless lapel or over-the-ear microphone, if needed. There is one sound cue to be played from a Flash Drive or CD we will provide. Please provide a sound technician to arrive 45 minutes before the performance begins to assist me in this area. Thank you.

Video Needs:

If your auditorium/sanctuary is equipped with video playback capabilities then we will be providing you with a short video on Flash Drive or DVD to be played at the conclusion of the performance.

Display Table:

Please provide one 6' to 8' table in the foyer/lobby for our resources and information. If you have multiple services/performances also provide someone to assist at the table. This person would need to arrive early for training in procedures.

Introduction

A suggested introduction will be provided for you at the performance, or mailed ahead of time if requested.

Thank you for your assistance!
