

PERFORMANCE NEEDS

IN HIS STEPS

Set Pieces Needed from Host Church or Organization:

The play takes place in the early 1900's. The furniture should look appropriate, but need not be authentic.

- 1) A small or medium sized wooden desk (or library table). Represents a desk used in a pastor's study.
- 2) A wooden chair (desk type), with arms and wheels preferred. If this is not available then a straight-back wooden dining room chair will suffice. (The period look is more important than the arms and wheels)
- 3) One small to medium sized wooden pulpit/lectern.
- 4) Coat tree (again wood is preferred to metal).

Sound Needs:

A wireless lapel or over-the-ear microphone, if needed. Please provide a sound technician to arrive 45 minutes before the performance begins to assist me in this area. Thank you.

Video Needs:

If your auditorium/sanctuary is equipped with video playback capabilities then we will be providing you with a short video on DVD or Flash Drive to be played at the conclusion of the performance.

Display Table:

Please provide one 6' to 8' table in the foyer/lobby for our resources and information. If you have multiple services/performances also provide someone to assist at the table. This person would need to arrive early for training in procedures.

Introduction

A suggested introduction will be provided for you at the performance, or mailed ahead of time if requested.

Thank you for your assistance!
